1. Company Overview

AcmeTech Solutions Pvt. Ltd. is a software development company headquartered in Bengaluru, India. The company was founded in 2018 and provides web application development, artificial intelligence, cloud computing, and data analytics services. AcmeTech currently has approximately 180 employees.

2. Working Hours

The standard working hours are Monday to Friday, from 9:30 AM to 6:00 PM. Employees receive a one-hour lunch break between 1:00 PM and 2:00 PM. Employees working remotely are expected to remain available during core hours from 10:00 AM to 4:00 PM.

3. Leave Policy

Full-time employees receive 20 days of paid annual leave per calendar year. Employees may carry forward a maximum of 10 unused annual leave days to the following year. Unused days above the carry-forward limit expire at the end of the year.

Employees also receive 10 days of sick leave per year. A medical certificate may be requested for sick leave lasting more than three consecutive working days.

4. Work From Home Policy

Eligible employees can work from home for up to 8 days per month with manager approval. Work-from-home requests should normally be submitted at least one working day in advance. Employees must maintain normal availability and attend scheduled meetings while working remotely.

5. Salary and Payroll

Employee salaries are processed on the last working day of every month. If the last working day falls on a public holiday or weekend, payroll is processed on the previous working day. Salary slips are available through the employee self-service portal.

6. Performance Reviews

AcmeTech conducts formal performance reviews twice a year, in June and December. Performance reviews consider project contribution, technical skills, teamwork, communication, attendance, and achievement of agreed objectives.
